Selecting modules

Note: The word *module* is how we refer to a *subject* or *course* in Ireland.

When and how can students choose modules?

Students will select their modules on arrival. They will receive an **Academic Study Form** at their **International Information Session**. The student is required to complete this Form in full and list the modules of their choice.

An example of Academic Study Form

During the first two weeks of the semester students can attend as many classes as they want, to find out which modules they want to follow during the semester.

Students are then required to submit their fully completed **Academic Study Form** to the International Office to confirm their module choices.

After submitting the **Academic Study Form** to the International Office, students will be registered for their modules of choice. Once registered, students will gain access to **Moodle** (the Griffith College Online Learning Platform). Module registration normally takes up to three days.

This procedure will also be explained in detail to the students at their International Office Information Session.

Frequently Asked Questions (FAQs)

Should I choose modules from one faculty only?

Students are permitted to choose modules across different faculties, subject to the approval of their home institution. They can only choose modules which appear in this **Course Listings** document.

I have already submitted my Academic Study Form to the International Office, but I would like to change my module/modules. Can I do that?

Once a student submits their **Academic Study Form** to the International Office, they **cannot** change their modules.

How many modules can I choose if I am a Semester Abroad/Study Abroad/Erasmus Programme student?

Students normally select up to 4 or 5 modules per semester, up to a **maximum** of **30 ECTS** credits.

For students who are not native English speakers, the number of modules depends on the students' **English language level**.

Please see below how a given level of English corresponds to the number of modules that Study Abroad/Semester Abroad/Erasmus Programme students can take:

Griffith College Placement Test	No. of modules per semester
B2+/C1/C2	4/5 modules – up to 30 ECTS credits
B2-	2 modules +15 hrs of English language
A0 – B1+	English Language only

Study Abroad/Semester Abroad Students – *Letter from Home Institution*
Study Abroad/Semester Abroad Students with an English level of **B2 or above**, *as verified by a letter from their home institution*, are permitted to study **four** modules in Griffith College.

Study Abroad/Semester Abroad Students - *Griffith College Placement Test*
Students can take Griffith College's English language test prior to commencement of the semester to assess their level of English.
