Scholarships are awarded to international applicants at the time of admission to Griffith College. The AMS has 3 levels which are outlined below. The requisite achievement for each level of AMS award will be country specific. *Below example for illustrative purposes only.*

**Please note:** Scholarships will not apply to modules/stages of study that are being repeated.

### Exceptions

- Innopharma Masters** are not eligible for the Academic Merit Scholarship (AMS).

### Sibling Discount

If a second or subsequent sibling registers at Griffith College as an International Student, they will receive a **10% Sibling Discount**. This will be applied to the net tuition fees (i.e tuition fees minus any scholarships and bursaries awarded). Where the first sibling is still a student of Griffith College, they will also be eligible for the same sibling discount on any registrations going forward. No sibling discount will be applied retrospectively.
