An example of Academic Study Form

During the first two weeks of the semester students can attend classes, to find out which modules they want to follow during the semester.

Students are required to submit their fully completed Academic Study Form to the Semester Abroad Administrator in Academic Administration Office (semesterabroadadmin@griffith.ie) not later than Friday 14th of February 2025 to confirm their module choices.

After submitting the **Academic Study Form**, students will be registered for their modules of choice. Once registered, students will gain access to **Moodle** (the Griffith College Online Learning Platform).

Module registration normally takes up to three days.

This procedure will also be explained in detail to the students at their International Office Information Session in February.

Should I choose modules from one faculty only?

Students are permitted to choose modules across different faculties, subject to the approval of their home institution. They can only choose modules which appear in this **Course Listings** document.

I have already submitted my Academic Study Form to the International Office, but I would like to change my module/modules. Can I do that?

Once a student submits their **Academic Study Form** to the Semester Abroad Administrator, they **cannot** change their modules.
