**MICHAEL BALL PhD, LL.M (Hons), LL.B (Hons), LPC, Cert. Ed..**  
Mike studied undergraduate law in the UK before completing the post graduate Legal Practice Course. However, rather than go into practice he taught in a college. During that time Mike also became an assistant examiner with two national examination boards. Having relocated to Ireland in 2003, Mike took a break from teaching and started his own business. He then returned education in the wake of the financial crisis and completed his Masters degree and PhD. Mike's research focussed on the role of law in the legal response to the eurozone crisis and its effect on monetary and fiscal policy.
