Students will be presented with their certificates while they are here, as well as prizes awarded to the winners and runner up placed finalists. All other certificates will be posted to LSMD teachers for students who were nominated and cannot attend on the day of the concert.

All drama students are reminded that if the piece they are performing contains 'adult/bad language' that it should be edited to PG level, as we have some young performers attending.

An accompanist can be arranged for singing and solo instrument students – should you require an accompanist please indicate this on your application form.
