

STAFF SOCIAL CLUB

The college has a long standing social club, going back to the very early days. Members of the club pay €11 per month out of their wages into the fund, and enjoy 3 or 4 outings per year, organised by our two committee members, Ann Donegan and Karen Casey (who are always open to suggestions for outings!). These outings consist of an activity, dinner & drinks and are all covered by your membership, including your taxi home (submit your receipt to Karen Casey who will organise reimbursement to you). Some of the activities in the past include horse riding, white water rafting, concerts in the O2 & The Olympia, comedy shows in Vicar Street & The Laughter Lounge, ice-skating, roller-skating, quad biking, bowling, paintballing and trips to hotels in different parts of the country (some of these may involve an overnight stay, but this is also paid for out of the fund). The Management Board know only too well that you need to go out and enjoy yourselves once in a while, so in order to ensure there is enough funds to make this happen, every euro that you contribute into the fund, the Management Board match! So go on....have a night out on them!

Should you wish to join the club, please contact either Karen Casey (karen.casey@gcd.ie) or Ann Donegan (ann.donegan@gcd.ie) who will in turn contact Katherine Sheehan in the accounts office, forwarding your authorisation to commence deductions of the €11 per month from your net pay. This is shown as a separate item on your payslip.
